## Dr. Md. Sabur Khan

A Visionary Leader Shaping Education and Entrepreneurship

Dr. Md. Sabur Khan is a distinguished entrepreneur, educationist, and thought leader who has profoundly impacted Bangladesh's business and academic landscapes. As the Chairman of Daffodil International University (DIU) and the Daffodil Family, his visionary leadership has seamlessly blended education with entrepreneurship, driving innovation across both sectors.

Starting his entrepreneurial journey with Daffodil Computers Ltd. in 1990, Dr. Khan pioneered Bangladesh's IT industry. He has since held key positions on the global stage, including Treasurer (Elect. 2027-30) of the International Association of University Presidents (IAUP), President of the Association of Universities of Asia and the Pacific (AUAP) for 2023-24, Chairman of Global Entrepreneurship Network (GEN) Bangladesh, and leadership roles in the Dhaka Chamber of Commerce and Industry (DCCI), Bangladesh Computer Samity (BCS), the Prime Minister's ICT Task Force, and the World IT Services Alliances (WITSA). He also serves as President of the Association of Private Universities of Bangladesh (APUB).

Recognized as a "Commercially Important Person" (CIP) by the Government of Bangladesh and a recipient of multiple honorary Doctorates and Professorships, Dr. Khan's contributions are a testament to his relentless commitment to excellence.

Beyond his professional achievements, Dr. Khan is deeply committed to social responsibility through initiatives like the Daffodil Institute of Social Sciences (DISS) and the Daffodil Foundation, which empower underprivileged children and drive social progress. His work continues to position Bangladesh as a leader in global education, technology, and innovation.

## VISION

To become a globally benchmarked hub in Education, IT, Investment, and Healthcare.

## GLOBAL IMPACT AND INTERNATIONAL REACH

Daffodil Family has made significant steps in establishing a strong network of global partnerships, contributing immensely to our mission of fostering a world-class educational environment.

## NURTURING GLOBAL EXCELLENCE & SOCIAL RESPONSIBILITY

### Transforming Lives, Realizing Dreams: An Eminent Journey Since 1990

Daffodil Family is a leading Bangladeshi conglomerate with a global presence committed to excellence, innovation, and social welfare, playing a significant role in the development of Bangladesh and the world. Founded by Dr. Md. Sabur Khan, Daffodil Family is Bangladesh's pre-eminent ICT conglomerate and a distinguished global player in education, healthcare, and investment. With 54+ entities spanning four continents, we have been dedicated to providing top-notch services, fostering entrepreneurship, and creating meaningful impact worldwide for the last three decades.

## DAFFODIL FAMILY'S CONTRIBUTION IN THE EMPLOYABILITY LANDSCAPE OF BANGLADESH

**Industry-Academia Collaboration:** We partner with government, NGOs, and international bodies to align our curriculum with industry standards, bridging education and workforce skills.

**Employment and Entrepreneurship:** We create job opportunities across sectors and support startups with funding and mentorship, driving innovation and economic growth.

**Talent Transformation:** Our advanced training programs focus on emerging technologies, offering engineering graduates hands-on experience through the Daffodil Academy of Excellence.

**Skill Development:** At Daffodil International University, we offer targeted training programs that align with industry needs, preparing graduates for global success.

**Educational Investment:** Through the Daffodil Education Network, we provide scholarships and support to ensure academic excellence and career readiness.

**Social Impact:** Our CSR initiatives, via the Daffodil Foundation and DISS, deliver vocational training to underserved youth, enhancing employability and supporting socio-economic growth.

**Internships and Apprenticeships:** We provide practical experience through diverse internship and apprenticeship programs, connecting academic learning with professional demands.

**Research and Development:** Significant investments in R&D drive innovation and create job opportunities in cutting-edge technologies.

**Advancing Global Workforce Readiness:** Daffodil Family shapes a globally competitive workforce through quality education, career opportunities, and strategic industry partnerships. Our focus on practical skills and leadership ensures that graduates are prepared to thrive in diverse markets worldwide.

## PIONEERING VENTURES

Daffodil Computers Ltd. is a leading public listed ICT company in Bangladesh. It provides a wide range of IT products, solutions and services. Daffodil Computers Ltd., founded in 1990, is the cornerstone of the Daffodil Family conglomerate. This pioneering venture has ignited the IT revolution in Bangladesh and set the stage for Daffodil Family's diverse and expansive portfolio. Since 1990 the journey has been marked by relentless innovation, dynamic partnerships, and an unwavering commitment to excellence.

### Key Achievements

- **Market Leadership:** Established as an industry leader offering a wide array of IT solutions.
- **Diverse Portfolio:** Ranges from hardware to cutting-edge software applications.
- **Innovative Software Development:** Tailored solutions for domains like finance, healthcare, and education.
- **Listed in Dhaka Stock Exchange and Chittagong Stock Exchange.**
- **Manufacturing:** DCL established an international standard Manufacturing and Assembling Factory in Bangabandhu Hi-Tech City, Kaliakoir, Gazipur

## ICT VENTURES OF DAFFODIL FAMILY

## Educational Ventures (1997-onwards) Daffodil Education Network

**A**t the heart of the Daffodil Family's multifaceted operations lies a profound commitment to education. The Daffodil Education Network (DEN) stands as a unified entity comprising 29 educational institutions. Our commitment to holistic development sets us apart. Beyond traditional education, our network provides an array of support services, including skill development training, sports facilities, training units, extracurricular activities, practical professional skills training, internships, lab-based education, exchange programs, scholarship funding, educational loans, opportunities for studying abroad, experiential learning, international internships, employability programs, the art of living, and Entrepreneurship Mindset Development. At Daffodil, we believe in nurturing well-rounded individuals equipped for success in a dynamic world, with an entrepreneurial spirit that paves the way for innovation and impact.

# EXPANDING HORIZONS WITH DAFFODIL INTERNATIONAL UNIVERSITY

**D**affodil International University's dedication to international accreditation, research, global partnerships, entrepreneurship, ICT education, and a focus on physical fitness makes it a unique and well-rounded institution. As a future-focused university, our relentless pursuit of knowledge is intricately aligned with personal and societal development, all in the service of a brighter tomorrow and the profound impact we aim to make on society through our resolute commitment to the United Nations Sustainable Development Goals (SDGs).

A Top-Ranked University

### Key Highlights:

- **Entrepreneurship & Innovation**  
DIU fosters entrepreneurship through initiatives like Employability 360, empowering students to become job creators, not just seekers.
- **Global Exposure**  
With partnerships across 525+ universities, DIU offers global exchange programs, internships, and cross-cultural learning, preparing students for a competitive global market.
- **Alumni Success**  
DIU's active network of 50k+ alumni demonstrates its commitment to employability, with graduates excelling in various industries worldwide.
- **Eco-Friendly Campus and Facilities**  
Daffodil International University features advanced laboratories, sports facilities, and vibrant learning zones. Our eco-friendly buildings and green spaces promote sustainability, while Career Development Services facilitate smooth transitions to the workforce.

Human Resource Development Institute (HRDI), a University Grants Commission approved institute, is dedicated to empowering educators at secondary and tertiary levels with the expertise and skills to inspire a future generation. Additionally, through corporate courses in subjects like business skills, compliance management, project management, team-building, critical thinking, and business English, we aim to elevate career aspirations and open doors to limitless opportunities.

## EXPANDING THE HORIZON OF NATIONAL UNIVERSITY AFFILIATED COLLEGES

*Daffodil Family is proud to be affiliated with 7 colleges under the National University, extending quality education across Bangladesh.*

### NU AFFILIATED COLLEGES

Daffodil Response Center (DRC) excels in omnichannel contact center solutions, focusing on innovation, efficiency, and customer-centricity. We enhance business communication strategies through tailored voice and non-voice services, including inbound/outbound calls, SMS, email, and digital marketing. Our state-of-the-art technology and skilled professionals ensure exceptional service, driving customer satisfaction and loyalty. With scalable, cost-effective solutions and a commitment to integrity and collaboration, DRC is your partner in delivering unparalleled customer experiences.

## ADVANCING TECHNICAL SKILLS DEVELOPMENT INSTITUTE (BTEB AFFILIATED INSTITUTES)

*In its ongoing commitment to advancing technical education, DEN takes great pride in housing five distinguished institutes affiliated with the Bangladesh Technical Education Board (BTEB).*

### BTEB AFFILIATED INSTITUTES ARE

## HEALTHCARE

Daffodil Family is committed to providing quality healthcare services. To fulfill our vision we have set up Daffodil Nursing College and Daffodil Health Institute. We are currently working to establish a virtual Hospital Platform in Bangladesh. It aims to provide high-quality healthcare services to patients from all over the country at the tip of their fingers.

## ENTREPRENEURSHIP AND INVESTMENT INITIATIVES AT DAFFODIL FAMILY

In line with our unwavering commitment to innovation, excellence, and social welfare, Daffodil Family proudly promotes entrepreneurship. Through a multifaceted approach, we are nurturing the entrepreneurs of today and tomorrow.

### Entrepreneurship Development Fund (EDF)

**Your Dreams, Our Investment**  
A dedicated fund to provide financial assistance to budding entrepreneurs. A good idea shouldn't be stopped by lack of funds. We believe in supporting financial innovations that have the potential to make meaningful contributions to society.

### Innovation Center

**Catalyzing Your Ideas into Reality**  
A hub where entrepreneurs are equipped with resources and mentorship to develop and launch groundbreaking products and services. We believe, in an ever-changing economic landscape, innovation is the key to resilience and growth. Our Innovation Center acts as an incubator for such groundbreaking ideas.

### Entrepreneurship Education

Comprehensive educational programs designed to teach the principles and practices of entrepreneurship to students. We believe that understanding the nuances of entrepreneurship is vital for sustained success. Our programs empower participants with the knowledge and skills they need to navigate the business world successfully.

## COMMUNITY INVOLVEMENT & SOCIAL RESPONSIBILITY

At Daffodil Family, our commitment to social responsibility is deeply ingrained in our ethos. Guided by the vision of fostering sustainable development, equitable growth, and creating positive social impact, our CSR initiatives reflect our dedication to the betterment of society.

Daffodil Family's CSR initiatives are driven by our commitment to creating a positive and lasting impact on society. By focusing on education, health, environmental sustainability, and social empowerment, we are dedicated to building a better future for all. We remain steadfast in our resolve to continue these efforts, ensuring that we contribute meaningfully to the communities we serve.

## BUILDING TOMORROW: ONGOING DEVELOPMENTS IN DAFFODIL FAMILY'S PHYSICAL RESOURCES

# DAFFODIL SMART CITY A NEW DAWN OF URBAN LIVING

Daffodil Family and Daffodil International University (DIU) proudly present Daffodil Smart City (DSC), an innovative initiative designed to foster a self-sustaining ecosystem benefiting students, faculty, staff, and the local community. DSC integrates DIU's diverse departments and labs to drive the creation of impactful commercial products, serving as a catalyst for student-industry synergy and offering abundant job opportunities and project involvement.

Key features include advanced labs such as EEE, Agricultural Science, Pharmacy, NFE, Software, CSE, Marketing, Cyber Security, and IoT Labs. DSC also promotes industry collaboration through part-time employment and industry visits, alongside comprehensive community services including shopping centers, dining options, and communication facilities.

Embodying DIU's commitment to sustainability and social responsibility, DSC contributes to a circular economy and generates significant employment opportunities. It promises advancements in research, economic growth, and robust industry partnerships, positioning the Daffodil Family as a leader in innovation and global readiness. DSC is dedicated to preparing students for the international job market and cultivating global citizenship through its extensive resources and facilities.
