# Dr. Md. Sabur Khan

A Visionary Leader Redefining Education, Technology, and Entrepreneurship

Dr. Md. Sabur Khan is a pioneering entrepreneur, educationist, and global thought leader who has redefined Bangladesh's place in the global knowledge and innovation economy. As Chairman of Daffodil International University (DIU) and the Daffodil Group, he has built one of South Asia's most comprehensive education and innovation ecosystems, seamlessly integrating technology, entrepreneurship, sustainability, and social transformation.

## **Entrepreneurial Journey & National Impact**

Starting from scratch in 1990 with the founding of Daffodil Computers Ltd., turning it as the first IT Public listed company (PLC) in 2003 in DSE and CSE, Mr. Khan became one of Bangladesh's earliest digital innovators. His vision and perseverance transformed a small IT venture into the Daffodil Family – a conglomerate of over 40 enterprises across education, ICT, healthcare, finance, real estate, and venture investment.

From launching Bangladesh's first computer superstore, first local Brand PC called DCL to establishing Daffodil International University, and later the Daffodil Smart City campus, Mr. Khan's journey mirrors Bangladesh's digital transformation. His leadership has created thousands of jobs, empowered youth entrepreneurs, and inspired innovation-driven development nationwide.

## **National and Global Leadership & Recognition: A Legacy of Leadership**

Mr. Khan's influence extends far beyond Bangladesh:

Treasurer (Elect) 2027–2030, International Association of University Presidents (IAUP)

President (2023–2024), Association of Universities of Asia and the Pacific (AUAP)

Chairman, Association of Private Universities of Bangladesh (APUB)

Chairman, Global Entrepreneurship Network (GEN) Bangladesh

Standing Committee member, Asian University Presidents Forum (AUPF)

Former President, Dhaka Chamber of Commerce and Industry (DCCI)

Former President, Bangladesh Computer Samity (BCS) 2002-3

Member, Prime Minister's ICT Task Force 2002-3

Board Member, World Information Technology and Services Alliance (WITSA) 2014-18

He has been honored by the Government of Bangladesh as a Commercially Important Person (CIP) for his contributions to trade, ICT, and education, and received multiple Doctorates, D.Litt. degrees, and Honorary Professorships from global universities.

## **Thought Leadership & Scholarship**

A prolific writer and mentor, Dr. Khan has authored seven books on entrepreneurship, including *A Journey Towards Entrepreneurship*, now taught at several European universities and translated into multiple languages. His research and keynote contributions bridge academic theory with practical entrepreneurship, influencing policymakers, educators, and business leaders worldwide.

## **Inclusive Vision & Social Impact**

Driven by the belief that "education is the best tool for empowerment," Mr. Khan founded initiatives like the Daffodil Institute of Social Sciences (DISS) and the Daffodil Foundation, providing education, shelter, and holistic care for underprivileged children – building pathways for them to become future leaders.

## **Innovation for the Future**

Under his leadership, DIU has become a model smart university, integrating AI, blockchain, IoT, micro-credentialing, and 4IR skills into mainstream education. His focus on AI-driven digital transformation and climate-conscious innovation positions DIU and Bangladesh at the forefront of the Fifth Industrial Revolution (5IR) – where technology meets humanity.

## **Legacy & Lifelong Vision**

Mr. Khan's lifelong mission remains clear – to transform Bangladesh into a knowledge-based, entrepreneurial, and sustainable nation. His philosophy, "My organization's sustainability is my sustainability," continues to inspire generations of entrepreneurs, educators, and changemakers across the globe.

For more details visit: [www.sabur.me](http://www.sabur.me)

## VISION

---

To become a globally benchmarked hub for education, technology, entrepreneurship, and healthcare, driving innovation and sustainable impact for society.

## GLOBAL IMPACT AND INTERNATIONAL REACH

---

The Daffodil Group has built a strong global network across Asia, Europe, the Middle East, and North America, Australia, advancing education, ICT, investment, and healthcare. Through innovation-driven initiatives and cross-border collaboration, we are creating future-ready leaders and driving tangible social and economic impact, positioning Bangladesh as a dynamic contributor to global knowledge, innovation, and sustainable development.

## NURTURING GLOBAL EXCELLENCE & SOCIAL RESPONSIBILITY

---

### Transforming Lives, Realizing Dreams: An Eminent Journey Since 1990

Founded by Dr. Md. Sabur Khan, the Daffodil Group has evolved into a globally recognized conglomerate with a vibrant presence across Asia, Europe, the Middle East, and North America, while gradually establishing a respected footprint in Australia, and other parts of the world. With a diversified portfolio spanning Education, ICT, Investment, and Healthcare, and with 54+ entities across different cosmopolitan areas, the Group has spent over three decades providing top-notch services, fostering entrepreneurship, and creating meaningful impact worldwide. For more than thirty five years, the Daffodil Group has empowered communities, nurtured future-ready leaders, and championed inclusive and sustainable development through initiatives such as the Daffodil Institute of Social Sciences (DISS) and the Daffodil Foundation. By integrating global best practices with local innovation, the Group continues to position Bangladesh as a rising hub of knowledge, innovation, and social progress on the world stage.

# DAFFODIL GROUP: SHAPING A SMARTER, SUSTAINABLE FUTURE

Building on this legacy of excellence, the Daffodil Group continues to expand its influence through a set of interconnected ecosystems that empower people and transform industries. Its Education Ecosystem fosters innovation-driven learning through universities, schools, and digital platforms that prepare learners for global challenges. The Skills Ecosystem bridges academia and industry, equipping youth with future-ready competencies through vocational training, certifications, and advanced technology programs. Meanwhile, the Entrepreneurship Ecosystem inspires self-reliance and innovation — nurturing startups, supporting young founders, and driving sustainable economic growth.

Across ICT, Investment, and Healthcare, Daffodil drives digital transformation, promotes smart investment, and delivers accessible, quality health solutions. Looking ahead, the Group is focused on AI integration, 5IR readiness, and global partnerships that advance national progress and align with the United Nations Sustainable Development Goals (SDGs) — shaping a smarter, more inclusive, and sustainable future for all.

## Future Focus and Global Collaboration Priorities

As Bangladesh enters a new era of innovation and sustainability, the Daffodil Group envisions a future defined by collaboration, co-creation, and collective growth. Building on its success across Education, ICT, Investment, and Healthcare, the Group is strategically focusing on the following transformative directions:

### 1. Digital Transformation & 4IR Readiness:

Accelerating innovation in AI, automation, data intelligence, and sustainable technologies to create smarter solutions for education, business, and society — aligning with the Fourth Industrial Revolution (4IR) while embracing the human-centered principles of the emerging Fifth Industrial Revolution (5IR).

### 2. Global Education & Research Partnerships:

Expanding international collaborations for student and faculty exchange, joint research, and innovation hubs that bridge global and local expertise.

### 3. Entrepreneurship & Impact Investment:

Scaling up the entrepreneurship ecosystem through venture capital, mentorship, and international startup collaboration platforms to fuel youth-led enterprises.

### 4. Skills for the Economy:

Developing a workforce ready for the digital, creative, and green economies through adaptive learning models and global certification programs.

### 5. Sustainable Healthcare & Social Impact:

Investing in health tech, preventive care, and inclusive community programs that align with global health and sustainability goals.

### 6. Smart, Green & Sustainable Campus:

Transforming the Daffodil Smart City into a living laboratory for sustainability, innovation, and cultural exchange — a model for future-ready living and learning.

## Why Collaborate with Daffodil Group?

Partnerships with Daffodil Group mean joining hands with a visionary ecosystem that connects education, innovation, and enterprise under one global platform. With a proven track record, strong international presence, and values rooted in sustainability and human development, Daffodil invites governments, industries, investors, and universities to co-create a smarter, more inclusive future together.

## PIONEERING THE DIGITAL FRONTIER (ICT VENTURES)

Since 1990, Daffodil Computers Limited (DCL) – the flagship and now (2003) the Public Listed Company (PLC) of the Daffodil Group – has been at the forefront of Bangladesh’s digital transformation. As one of the nation’s earliest ICT enterprises, DCL laid the foundation for what has evolved into one of Bangladesh’s largest and most comprehensive ICT ecosystems. Through the ventures such as Daffodil Online Limited, Computer Clinic, and Dolphin Computers Ltd., the Group delivers a complete ICT value chain – from hardware and software to digital services and online solutions – empowering individuals, institutions, and enterprises nationwide. As a trusted partner of leading global ICT brands, Daffodil Group continues to make technology accessible and affordable, nurturing future-ready skills and entrepreneurship to support a Smart, Digital, and Inclusive Bangladesh.

## Daffodil Computers

### Key Achievements

- **National Legacy of Trust:** Over three decades of pioneering leadership, setting new standards in ICT excellence and innovation in Bangladesh.
- **Global Collaboration:** Partnering with world-leading technology brands to localize innovation and empower the nation’s digital growth.
- **Made in Bangladesh Milestone:** Established an international-standard ICT Manufacturing and assembly facility at Bangabandhu Hi-Tech City, promoting local manufacturing.
- **Digital Transformation Partner:** Delivering integrated hardware, software, and IT consultancy solutions that power businesses, institutions, and government.
- **Human Capital Development:** Building digital skills and entrepreneurship opportunities for thousands, shaping the next generation of tech leaders.

### At a Glance: DCL Impact in Numbers

**36** Years of Leadership in Bangladesh’s ICT Industry since 1990  
**100+** Global Partnerships with Renowned Technology Brands  
**10,000+** Clients across Education, Finance, Healthcare, and Government  
**1 Million+** Devices & Solutions Delivered Nationwide  
First Publicly Listed ICT Company (Since 2003)  
State-of-the-Art Manufacturing and Assembly Plant at Bangabandhu Hi-Tech City  
Thousands of Professionals Trained and Employed through the Daffodil ICT Ecosystem

## Educational Ventures Daffodil Education Network (DEN)

### Transforming Education, Empowering Generations

At the heart of the Daffodil Group lies a bold vision – to make international-standard education skills accessible to all. Daffodil Education Network (DEN) unites 29 educational institutions and support ventures under one umbrella, creating a comprehensive ecosystem for lifelong learning and career readiness.

DEN goes beyond conventional academics by integrating skills, innovation, and values into every level of learning. Through its Employability Enhancement Programs, Micro-Credential Courses, Entrepreneurship Development, and International Internship and Scholarship Opportunities, DEN ensures that every learner gains the skills, mindset, and exposure needed to thrive in a fast-evolving global economy.

Driven by its commitment to holistic, inclusive, and future-ready education, DEN continues to shape a generation of competent, confident, and compassionate leaders, accelerating Bangladesh's transformation into a Smart and Knowledge-Based Nation.

# EXPANDING HORIZONS WITH DAFFODIL INTERNATIONAL UNIVERSITY (DIU)

Daffodil International University (DIU), the flagship of the Daffodil Education Network, stands as one of Bangladesh's most forward-thinking universities – globally connected, industry-aligned, and innovation-driven. With a strong foundation in Education, ICT, Entrepreneurship, and Research, DIU is redefining higher education through technology, creativity, and human values.

As a globally benchmarked institution collaborating with 700+ universities and organizations worldwide, DIU offers its students international learning experiences, dual-degree opportunities, and exposure to cross-border research and innovation.

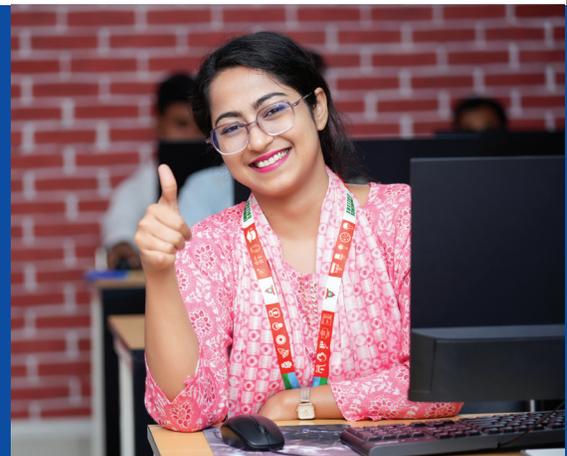

## Key Highlights:

- Future-Focused Learning:**  
 A curriculum integrating lab-based education, capstone project, micro-credential programs, and Employability 360°, ensuring students gain both academic knowledge and industry-ready skills.
- Entrepreneurship & Innovation:**  
 Through Startup Incubation Labs, Innovation Funds, and the Art of Living program, DIU nurtures entrepreneurial mindsets and emotional intelligence to build resilient global citizens.
- Global Exposure:**  
 With 700+ partnerships across Asia, Europe, and North America, Canada, Australia students access study abroad programs, joint research, and international internships, preparing them for leadership in the global workforce.
- Smart & Sustainable Learning Ecosystem:**  
 The Daffodil Smart City Campus offers world-class laboratories, green buildings, digital classrooms, and recreational zones that promote health, creativity, and sustainability.
- Alumni & Employability:**  
 A strong network of 70,000+ alumni driving innovation worldwide stands as a testament to DIU's success in shaping employable, ethical, and impact-driven professionals.

A Top-Ranked University

# EXPANDING HORIZONS WITH NATIONAL UNIVERSITY PROGRAMS: EXCELLENCE ACROSS LOCATIONS

Seven of our institutes under the Daffodil Education Network offer prestigious National University programs, forming a powerful consortium dedicated to developing competing graduates for the national and global stage. This initiative is central to our mission of providing inclusive and equitable quality education (SDG 4).

The Daffodil Institute of IT (DIIT) provides leadership for this consortium, ensuring the highest standards of academic excellence, innovation, and relevance across all affiliated institutes.

## Key Highlights:

### Developing Competing Graduates:

We produce top contenders and job-creators, not just only job-seekers, through industry-aligned, rigorous training.

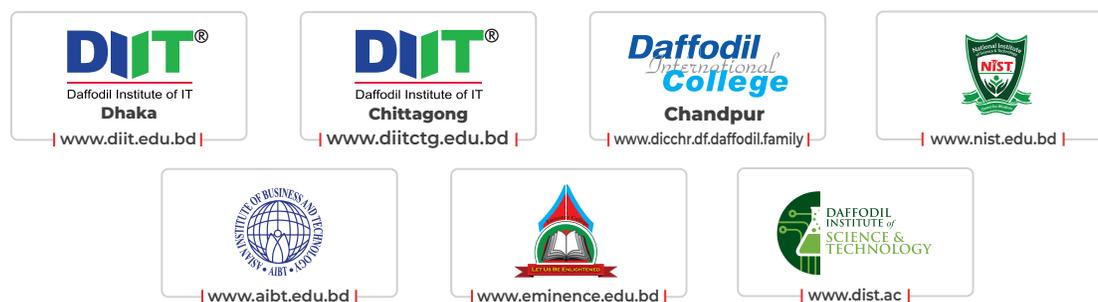

### Leadership & Standardization:

Under DIIT's lead guidance, we ensure a unified standard of excellence and continuous improvement across the consortium.

### Broadening Access to Excellence:

Our seven locations provide high-quality education beyond the capital, fostering reduced inequalities (SDG 10) and building a stronger national workforce.

## NATIONAL UNIVERSITY PROGRAM INSTITUTES:

# ADVANCING TECHNICAL SKILLS: A MODEL FOR WORKFORCE READINESS (BTEB AFFILIATED INSTITUTES)

DEN proudly leads a model consortium of five BTEB-affiliated institutes, setting the benchmark for technical education and direct workforce readiness. This strategic initiative is a cornerstone of our commitment to SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth) and SDG 9 – Industry, Innovation, and Infrastructure.

The Daffodil Polytechnic Institute provides the leadership and academic direction for this consortium, ensuring excellence and innovation across all affiliated institutes.  
Our Slogan: Skilling Bangladesh, Powering Industry.

## Highlights:

### Industry-Aligned, Hands-On

**Training:** We deliver practical, future-focused skills that make our graduates immediately valuable in the job market.

### Unwavering Quality Standards:

Our consortium model ensures consistent, high-quality education and training across all institutes.

### Global Workforce Preparedness:

We equip students with the technical proficiency and professional mindset to meet and exceed international industry expectations.

## BTEB AFFILIATED INSTITUTES ARE

### The Daffodil Skills and Employment Ecosystem: Empowering a Skilled Bangladesh

The Daffodil Skills and Employment Ecosystem is designed to deliver a 360° pathway from training to employment and entrepreneurship, ensuring learners are fully equipped for the demands of a global workforce. This ecosystem directly advances SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth), while fostering innovation, industrial readiness, and strategic partnerships aligned with SDG 9 (Industry, Innovation, and Infrastructure) and SDG 17 (Partnerships for the Goals).

#### DIPTI: The Core Leader Driving Skills Transformation

At the heart of this ecosystem lies the Daffodil International Professional Training Institute (DIPTI)—the core consortium organization spearheading national and global skill development. Through collaborations with leading national institutes, global organizations, and government and development partners, DIPTI bridges education, technology, and employability, creating pathways for learners to thrive in the era of AI, Industry 5.0, and global digital transformation. Its programs include micro-credentials, industry certifications, and hands-on employability training, ensuring graduates are job-ready, entrepreneurial, and globally competitive.

#### An Integrated, Industry-Ready Ecosystem

DIPTI's leadership is strengthened by seven strategic partners, forming a fully integrated ecosystem:

**DJIT:** Japanese language and career pathways for global opportunities.

**BSDI:** Technical and vocational training for industry-ready skills.

**GoEdu.ac:** Online learning, soft skills, and micro-courses for continuous upskilling.

**Skill.jobs:** Dedicated employment platform for placements, internships, and freelancing.

**DIL:** Global communication skills for multilingual employability.

**GEN Bangladesh:** Entrepreneurship development, mentoring, and startup support.

**International Online University (IOU):** Academic progression and lifelong learning opportunities.

Together, these partners provide a seamless pathway from skill acquisition to livelihood, exemplifying Skilled Bangladesh.

#### National Impact and Vision

With a goal to produce 2,000 AI Graduates by 2030, alongside thousands more across other disciplines, Daffodil's ecosystem sets a national benchmark for transforming education into empowerment, innovation, and sustainable development—creating Skill Graduates, not just certificate holders.

#### Members of the Consortium

The Human Resource Development Institute (HRDI) of Daffodil International University (DIU) is a UGC-approved center dedicated to excellence in education, learning, and research. HRDI focuses on the continuous development of faculty, professionals, and students, equipping them with the skills needed to meet the challenges of the modern era. By offering tailored courses, workshops, seminars, and conferences across academia, industry, and entrepreneurship, HRDI fosters leadership, communication, compliance, and emerging skills, promoting meaningful collaboration between industry and academia.

Aligned with SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth), HRDI strengthens the professional capacity of educators and corporate professionals, ensuring they can deliver high-quality teaching, drive innovation, and prepare students for success beyond the classroom.

DRC is a leading omnichannel contact center, providing voice, SMS, email, and digital marketing solutions tailored to clients' needs. With advanced technology and skilled professionals, we deliver efficient, scalable, and cost-effective services that enhance customer satisfaction and loyalty.

**Key Highlights:**

**Omnichannel Solutions:** Inbound/outbound calls, digital campaigns, and integrated communication.

**Data-Driven Insights:** Analytics to optimize engagement and business performance.

**Value Addition:** Innovative, efficient, and customer-focused solutions that drive measurable impact.

## HEALTHCARE: ADVANCING WELLBEING AND ACCESS

The Daffodil Group is dedicated to quality, inclusive, and sustainable healthcare, contributing directly to the United Nations Sustainable Development Goal 3 (Good Health and Well-being).

To fulfill this vision, we have established:

**Daffodil Nursing College** – nurturing skilled healthcare professionals.

**Daffodil Health Institute** – providing advanced training and community health initiatives.

**Virtual Hospital Platform (under development)** – delivering high-quality telehealth services to patients across Bangladesh, leveraging technology to enhance accessibility and efficiency.

### Impact & Contribution:

Expanding access to healthcare and reducing urban-rural disparities.

Developing a workforce of skilled healthcare professionals to strengthen the national health system.

Promoting preventive care, digital health, and patient-centered services aligned with global standards

## HEALTHCARE UNITS OF DAFFODIL GROUP

# ENTREPRENEURSHIP AND INVESTMENT INITIATIVES AT DAFFODIL GROUP

The Daffodil Group fosters entrepreneurial excellence through a dynamic ecosystem that links innovators, investors, and global networks, positioning Bangladesh as a hub for ideas, enterprise, and impact.

Entrepreneurship Development Fund (EDF) – “Your Dreams, Our Investment” Providing financial support to budding entrepreneurs, ensuring that great ideas are not limited by resources. EDF fuels innovations with social and economic impact potential.

## Key Initiatives:

**Innovation Center** – Catalyzing Ideas into Reality  
A hub for mentorship, resources, and incubation where entrepreneurs develop groundbreaking products and services.

## Entrepreneurship Education:

Comprehensive programs teach the principles and practices of entrepreneurship, equipping students and emerging entrepreneurs with the knowledge, skills, and confidence to succeed globally. Daffodil International University has established the Department of Innovation and Entrepreneurship Education (DIE)—the first and only dedicated department in Bangladesh for entrepreneurship learning, young entrepreneur development, and nurturing innovation.

## KnowledgeVale Incubation Center:

A Daffodil Group initiative, KnowledgeVale provides co-working spaces, mentorship, business training, funding guidance, and networking, fostering innovation, technology development, and sustainable entrepreneurship in Bangladesh.

## GEN Bangladesh:

An affiliate of the Global Entrepreneurship Network (GEN), GEN Bangladesh nurtures startups and aspiring entrepreneurs by providing mentorship, resources, networking, and global connections. Through initiatives like Global Entrepreneurship Week, Entrepreneurship World Cup, and GEN Campus, it fosters innovation, collaboration, and sustainable economic growth, driving Bangladesh toward a vibrant entrepreneurial future.

## Bangladesh Venture Capital Ltd (BVCL):

BVCL supports high-growth startups with equity financing, mentorship, and strategic guidance, fostering innovation, social impact, and economic growth in Bangladesh.

## Daffodil Business Incubator (DBI):

In partnership with Bangladesh Venture Capital Ltd, DBI nurtures young entrepreneurs by providing mentorship, training, networking, and funding support, helping students transform ideas into successful startups while fostering self-reliance and job creation.

## Global Connections

By engaging with apex international bodies, global investors, and idea challenge platforms, Daffodil Group bridges local innovation with international opportunities, bringing global ideas to Bangladesh and connecting promising ventures to funding and expertise.

## Impact:

Empowering innovators and startups to create sustainable businesses.  
Promoting socially-conscious and economically impactful entrepreneurship.  
Strengthening Bangladesh's role as a knowledge and innovation-driven economy.  
Introduced Oitijjer Haat, a platform connecting national brands and traditional artisans, bringing heritage and commerce together.

# COMMUNITY INVOLVEMENT & SOCIAL RESPONSIBILITY

At the Daffodil Group, social responsibility is integral to our mission. Guided by a vision of sustainable development, inclusive growth, and positive societal impact, our initiatives actively contribute to building resilient, empowered, and equitable communities.

Through strategic CSR and community programs, we focus on areas that deliver measurable outcomes and long-term value:

- Education and Skill Development
- Health and Well-being
- Environmental Sustainability
- Social Empowerment & Inclusive Growth
- Philanthropy & Rural Development
- Entrepreneurship Development

## Global Alignment & Partnerships:

Our initiatives align with UN Sustainable Development Goals (SDGs) and leverage collaborations with international donors, foundations, and grant-making institutions to maximize reach, innovation, and impact.

## Impact Statement:

Over three decades, the Daffodil Group's CSR efforts have transformed lives, nurtured communities, and promoted sustainable development, positioning us as a trusted partner for donors and collaborators aiming to drive meaningful change in Bangladesh and beyond.

The Daffodil Foundation drives social change and sustainable development across Bangladesh, empowering communities through education, healthcare, skills, and environmental initiatives. Aligned with the UN Sustainable Development Goals (SDGs), our mission is to create inclusive, resilient, and future-ready communities.

### Our Focus Areas:

- **Education & Skills:** Scholarships, vocational training, youth development, and affordable quality education.
- **Healthcare & Well-being:** Accessible healthcare, mental health support, and rehabilitation programs.
- **Empowerment & Social Inclusion:** Women entrepreneurship, support for persons with disabilities, and marginalized groups.
- **Sustainability & Green Initiatives:** Climate-conscious projects, eco-friendly programs, and environmental awareness.
- **Humanitarian Aid & Crisis Response:** Rapid relief and community resilience initiatives.

### Flagship Initiatives:

- Jeebika Baburhat Project, Chandpur
- ICT Scholarships for Women in Development
- Mompreneur Program & Talent Hunt
- Employment Quotas for Women and
- Physically Disadvantaged

### Partner with Us:

We invite international collaborators, donors, and organizations to join us in creating lasting social impact, transforming lives, and building a brighter, inclusive future.

Learn More: [daffodilfoundation.org](http://daffodilfoundation.org)

**Daffodil Institute of  
Social Sciences**

The DISS is a pioneering residential institution in Bangladesh, dedicated to the holistic development of disadvantaged and orphaned children. Guided by the UN Sustainable Development Goals (SDGs), DISS provides care, education, and empowerment to help children break the cycle of poverty and thrive as responsible citizens.

### Our Core Programs & Impact:

- **Quality Education (SDG 4):** From Kindergarten to Postgraduate, nurturing academic excellence.
- **Health & Nutrition (SDG 2 & 3):** Free accommodation, nutritious meals, and healthcare services.
- **Life Skills & Employability (SDG 8 & 10):** Training in leadership, entrepreneurship, and social responsibility.
- **Inclusive Development (SDG 10):** Supporting underprivileged children to realize their full potential.

### Impact Statement:

DISS transforms lives, builds resilient and skilled future leaders, and fosters inclusive social progress.

### Partner with Us:

Join us in creating sustainable impact and expanding opportunities for vulnerable children.

Learn More: [www.daffodil.social](http://www.daffodil.social)

## DAFFODIL'S JOURNEY: GLOBAL IMPACT AND INTERNATIONAL REACH

The Daffodil Group and Daffodil International University (DIU) have built a strong international footprint, creating opportunities for academic excellence, cultural exchange, and entrepreneurship across the globe.

### Global Network & Partnerships

700+ International Partner Institutions across 100+ countries  
100+ Global Memberships in prestigious educational and industry associations

### Mobility & Scholarships

5,000+ students, faculty, and staff engaged in international mobility programs in the last five years  
Global Scholarships: Erasmus+, GKS, CCIP, SICS, SII, Turkish Burslari, Lithuanian State Scholarship, and more

### Strategic Impact

Future-Ready Leaders: Skill development aligned with 4IR & 5IR  
Inclusive Growth: Empowering students and entrepreneurs for sustainable impact  
Global Collaboration: Knowledge sharing, research partnerships, and cross-cultural learning

Through these initiatives, Daffodil Group & DIU position Bangladesh as a rising hub of education, innovation, and sustainable development

### Flagship International Events

- Asia-Pacific Summer Program (APSP) 2025
- Asia-Pacific Faculty Development Program (APFDP) 2025
- Erasmus+ Squares Project Full Consortium Meeting 2025
- 1st International Conference on Islamic Finance in Bangladesh (1ST ICIFIB) 2025
- Bangladesh Regional Grand Finale of the Startup World Cup 2025
- Swinburne's Study Tour 2024 in Bangladesh
- ICPC Asia Dhaka Regional Contest 2024
- 4th National Conference of the Erasmus+ CBHE Harmony Project 2023
- DIU Winter Camps
- ICAN6 International Conference 2023
- 15th AUAP General Conference 2022
- Global Social Business Spring Camp 2022
- 18th Asian University Presidents Forum (AUPF)- 2019
- Youth4SDG Asia Leadership Program 2019 in Bangladesh
- 21st International Convention on Students Quality Control Circles (ICSQCC)
- 4th International Conference on Globalization, Entrepreneurship and Emerging Economics (ICGEEE-2019)
- Global Entrepreneurship Network Event
- Financial Literacy Campaign through celebrating Global Money Week

# GLOBAL PRESENCE AND PARTNERSHIPS

## CONNECTING BANGLADESH TO THE WORLD: EDUCATION, INNOVATION, AND OPPORTUNITY

The Daffodil Group now operates across multiple continents, including the USA, UK, Malaysia, Japan, and the Middle East, reflecting our commitment to delivering high-quality education, ICT, entrepreneurship, and healthcare services globally.

### Daffodil Japan IT (DJIT)- Gateway to Japan:

Sent 15 IT graduates to Japan and facilitated 400+ students for higher education  
Built 30+ institutional collaborations, enabling global exposure and skill development

### Spiral World: Malaysia

Hosts virtual innovation events spanning AI, Blockchain, Medicine, and Industry sectors

Creates platforms for cross-border knowledge exchange and entrepreneurship

### Daffodil Global, Middle East

Expanding education and innovation opportunities across the region  
Partnerships with leading institutions and associations for research, entrepreneurship, and workforce development

## GLOBAL PARTNERS

# GLOBAL IMPACT & INTERNATIONAL EXCELLENCE AT DAFFODIL EDUCATION NETWORK (DEN)

Daffodil Education Network (DEN) and Daffodil International University (DIU) continue to lead Bangladesh's integration into the global knowledge and innovation ecosystem. Through strategic international collaborations, educational outreach, and student and faculty mobility, we are shaping globally competent leaders.

## Key Achievements & Initiatives

**Global Conferences & Knowledge Exchange:** Hosting and participating in international conferences to foster research, innovation, and cross-border collaboration.

**International Exchange & Scholarships:** Programs including Erasmus+, GKS, CCIP, and others broaden global perspectives for students and faculty.

**Mobility & Global Exposure:** Since 2017, over 3,500 students and staff have participated in international exchanges, building a globally connected academic community.

**Short-Term Programs:** Summer schools, internships, and workshops promote cross-cultural understanding and practical global experience.

**International Internship Program (IIP):** Offers transformative internship experiences with global organizations, enhancing employability and real-world skills.

**Global Faculty Engagement:** International faculty bring diverse perspectives, enriching the academic environment and supporting innovative learning.

## Impact:

These initiatives position DEN and DIU as internationally recognized centers of excellence, preparing students to thrive in a rapidly globalizing world while contributing to sustainable development and global knowledge exchange.

# DAFFODIL SMART CITY A NEW DAWN OF URBAN LIVING

Daffodil Group and Daffodil International University (DIU) proudly present Daffodil Smart City (DSC) – a pioneering initiative designed to create a self-sustaining, innovation-driven ecosystem benefiting students, faculty, staff, and the wider community. DSC seamlessly integrates academic excellence, research, and entrepreneurship, fostering a hub where knowledge meets industry and societal needs.

## Key Highlights

### Advanced Research & Innovation Labs:

Cutting-edge facilities in EEE, Agricultural Science, Pharmacy, NFE, Software, CSE, Marketing, Cybersecurity, and IoT empower students and faculty to develop impactful, market-ready solutions.

**Industry Collaboration & Employability:** DSC promotes real-world learning through internships, part-time employment, and industrial visits, preparing students for the global workforce.

**Entrepreneurship & Startups:** The city acts as a launchpad for innovative ventures, bridging the gap between academic research and commercial application.

**Lake Transformation & Environmental Sustainability:** DSC has transformed its central lake into a vibrant eco-system, combining biodiversity restoration, recreational spaces, and sustainable water management – a model of urban environmental innovation aligned with SDG 6 (Clean Water & Sanitation) and SDG 15 (Life on Land).

**Community & Lifestyle Integration:** Thoughtfully designed urban spaces include shopping centers, dining options, recreation zones, and communication infrastructure, fostering a vibrant, inclusive community.

**Global Readiness:** By linking education, research, and industry, DSC prepares students to become globally competent leaders and socially responsible citizens.

## Impact:

Daffodil Smart City is not just an urban project – it is a transformative ecosystem driving research, entrepreneurship, economic growth, and sustainable development, positioning the Daffodil Group as a global leader in education, technology, and responsible urban innovation.
